THE JOSPER

All our main courses are prepared in a robust charcoal grill “DE JOSPER”: A closed barbecue, fired on charcoal. When fully closed, the oven reaches temperatures of up to 400°C! The noble wood and the perfectly adjustable flow of hot air provide a unique taste, smell and texture. Every piece of meat, fish, poultry & vegetables is seared, roasted and provided with a characteristic smoky flavor at the same time. This provides the authentic.
